SAINT JOSEPH HOSPITAL FOUNDATION – DENVER, COLORADO

Become a Volunteer...

Because One
Person Can Make a
Difference!

Become a Member of Our Hospital Family

When you become a Volunteer at Saint Joseph Hospital, you find that your greatest rewards come from the heart. The squeeze of a comforted hand, the smile of a recuperating neighbor, the relief on the face of someone who needs a listening ear bring our Volunteers many rewards. The need for volunteers is great, and the rewards are even greater. Volunteers gain a sense of peace, fulfillment and completeness. Are you ready for such an experience?

Volunteers play a key role in the healing presence and culture at Saint Joseph Hospital. Since 1955, our Volunteers have dedicated countless hours of service to patients and their families. Most Volunteers work an average of four hours per week. As a Volunteer, you have the possibility to serve, grow, learn, make new friends, exchange ideas and contribute to your community.

Each year, volunteers provide an average of 32,000 hours in various areas throughout the hospital.

Healthy Patients, Healthy You!

Several studies have revealed that volunteering not only reduces the impact of stress on the body, it also lowers blood pressure, enhances the immune system and boosts your own health. What better way to put your life experiences to use than to do something that helps others while it benefits you? Join us and find out why many of our volunteers comment that their work within the hospital allows them the opportunity to "Make a Difference!"

Volunteering Will Change Your Life...

"I believe in the old adage 'It is better to give than to receive.' Yet, as a Volunteer at Saint Joseph Hospital, I find the rewards of giving are enormous. My life is truly enriched by the experience."
 - Marge Kail - SJHF Volunteer

How To Get Started

Are you interested in becoming a Volunteer at Saint Joseph Hospital? Are you 14 years of age or older? It is easy to apply! Simply complete the attached application, drop it in a mailbox, and we will contact you promptly to schedule an interview. Or, if you have additional questions, call 303-837-7667 for more information.

The Next Steps To Joining Our Family

During the interview, we will discuss your skills and interests to determine an appropriate department and position for you. Upon successful completion of a background check, TB test and drug/alcohol screening, new Volunteers attend an orientation training session. Volunteers receive complimentary uniforms, free secured parking and free meals in the cafeteria on days that they volunteer. Please contact us today to become a Volunteer at Saint Joseph Hospital. We promise to provide you with fresh opportunities to enhance your quality of life!

Proceeds raised through the Volunteers fundraising activities are donated to the Saint Joseph Hospital Foundation for capital projects, charity care, equipment and education needs.
